Social Thinking© 2: Executive Functioning Group

Autism Spectrum and Developmental Disorders Resource Center will facilitate “Social Thinking” groups in February of 2017.

- This Social Thinking group is for children who experience difficulty in the areas of communication, interpersonal relationships, cooperation, and relational skills. This session will focus on improving executive functioning skills.

- Participants: Children with Autism Spectrum Disorder or other social communication challenges such as Attention Deficit Hyperactivity Disorder (ADHD) or communication disorder attending Late Elementary School or Middle School

- Initial intake required (one-time intake required with child and parent)

- Fee: $30/session (Scholarships available). Sessions will be on Monday evenings starting February 6th (12 week sessions)

To register please email the ASDDRC at AHBHHHEResourceCenter@amitahealth.org or call 847-755-8536
