MISSION / VALUES RATIONALE

This policy is aligned with the Mission and Values for Presence Health. Our mission calls us to provide compassionate, holistic care with a spirit of healing and hope for all persons in the communities we serve. Our ministry is an enduring sign of our Core Values of HOPE, to instill us with integrity, inspire us to interconnect with each other, encourage us to honor diversity and dignity of each individual and empower us to always strive for exceptional performance to our patients/residents and to best serve those in need.

PROCEDURE

I. The curriculum for Automated Defibrillation is in accordance with IL SB 458.

II. The course is taught to Healthcare Providers.

III. The student shall pass both a written and a practical examination as a condition of completing the course. The examination shall be designed to measure the student’s knowledge and skills to operate an automated defibrillator safely and effectively.

IV. The Presence St. Mary’s EMS system may include the course in Automated Defibrillator Operation as part of an initial healthcare providers training program or may offer such training to persons already approved as healthcare providers.
