PURPOSE

To define PSMH system entry/re-entry requirements.

MISSION / VALUES RATIONALE

This policy is aligned with the Mission and Values for Amita Health. Our mission calls us to provide compassionate, holistic care with a spirit of healing and hope for all persons in the communities we serve. Our ministry is an enduring sign of our Core Values of HOPE, to instill us with integrity, inspire us to interconnect with each other, encourage us to honor diversity and dignity of each individual and empower us to always strive for exceptional performance to our patients/residents and to best serve those in need.

SPECIAL INSTRUCTIONS/EQUIPMENT

N/A

PROCEDURE

This policy is to allow for the evaluation by the EMS system of candidates requesting entry/re-entry into the Amita St. Mary’s Emergency Medical Services System. System re-entry will be necessary for those candidates that have left Presence St. Mary’s EMS System for a period of 90 days or greater.

I. System Requirements – for primary status with the ASMH EMS System #0712

A. Those candidates applying from outside Region 7 will be required to complete the appropriate level SMO examination (minimum score 80%). For EMT-P and EMT-I, candidates must pass both an EKG and math quiz.

B. Those candidates applying from inside Region 7 will be required to produce documentation that they have already passed the current SMO exam for their respective level. If they do not have that documentation, they will have to successfully pass the SMO exam (minimum score 80%). For EMT-P and EMT-I, candidates must pass both an EKG and math quiz.

C. A copy of the candidate’s EMT state license at their respective level of functioning.

D. The candidate’s completed “System Entry Information Sheet.”
E. A list of current to date Continuing Education (CE) hours from a verified source for the current licensing period.

F. A copy of the candidate’s other appropriate certifications/licenses (MD/DO, RN/LPN/AMLLS, PHTLS, TNS, ECRN, ACLS, PALS, PEPP, etc.)

G. A Letter of Good Standing from the candidate’s previous EMS system.

II. System Requirements – for secondary status with the PSMH EMS System #712

A. Those candidates applying from outside Region 7 will be required to complete the appropriate level SMO examination (minimum score 80%). For EMT-P and EMT-I, candidates must pass both an EKG and math quiz.

B. Those candidates applying from inside Region 7 will be required to produce documentation that they have already passed the current SMO exam for their respective level. If they do not have that documentation, they will have to successfully pass the SMO exam (minimum score 80%). For EMT-P and EMT-I, candidates must pass both an EKG and math quiz.

C. A copy of the candidate’s EMT state license at their respective level of functioning.

D. A letter of Good Standing from the candidate’s previous EMS system.
