PURPOSE

To define responsibilities of how to manage individual EMS providers when functioning in multiple EMS Systems.

MISSION / VALUES RATIONALE

This policy is aligned with the Mission and Values for Amita Health. Our mission calls us to provide compassionate, holistic care with a spirit of healing and hope for all persons in the communities we serve. Our ministry is an enduring sign of our Core Values of HOPE, to instill us with integrity, inspire us to interconnect with each other, encourage us to honor diversity and dignity of each individual and empower us to always strive for exceptional performance to our patients/residents and to best serve those in need.

SPECIAL INSTRUCTIONS/FORMS TO BE USED

PROCEDURE

In the event that an EMT-P, I, B or PHRN is functioning in one or more EMS Systems in addition to the Amita St. Mary’s EMS System, the following will apply:

I. In order for an EMT-P, I, B or PHRN to function in the Amita St. Mary’s EMS System while functioning in other Illinois systems, the individual must:

A. Submit a written statement that indicates which system will be considered primary for the purpose of re-licensure.

B. If the Amita St. Mary’s EMS System is to be the primary system, the individual must meet all requirements as set forth in their level Re-licensure Policy.

C. If an Illinois system other than the Presence St. Mary’s EMS System is to be considered the primary system, the individual must:

1. Notify PSMH of the re-licensure within 30 days or provide a copy of an extension granted by the IDPH. Proper documentation and verification will consist of:
a. A copy of the approved IDPH Extension or Temporary license.

3. EMT-P, I, B and PHRN must attend all mandatory continuing education programs.

II. Eligibility of participation in this System will be granted to individuals who meet the requirements in Section I of this policy unless one of the following circumstances exists:

A. The EMT/PHRN fails to obtain re-licensure in his/her primary system.

B. The EMT/PHRN is prohibited from functioning in the State of Illinois because of any disciplinary actions or any other reasons, provided the appropriate due process has been accorded and the deprivation of rights to act in the capacity of pre-hospital care provider is consistent with the rules and regulations promulgated by IDPH.

D. The EMT/PHRN fails to attend any mandatory continuing education classes.
