ASD Life Transition:

Meets every 4th Tuesday of the Month, from 7:00-8:30 P.M.

Each month we invite a different speaker to present to the group and address a variety of issues specific to this population, including college transition and accommodations, job skills, independent living, volunteer opportunities, government benefits, driving, exercise and more topics of interest. Additionally, our young adults will break out for the second half of the group where they will be able to enjoy game nights, time to socialize, and more!

To register for this meeting, please contact the Alexian Brothers Autism Spectrum and Developmental Disorders Resource Center at 847-755-8536 or e-mail us at AHBHHHEResourceCenter@amitahealth.org

ASD Life Transitions Group does not endorse any speaker, service or resource. The purpose of providing speakers and resources is for information and education only.
